Falsettos

This innovative musical arrives on the Great White Way with acclaimed Broadway stars, two-time Tony Award® winner Christian Borle (*Something Rotten!, Peter and the Starcatcher*, TV's *Smash*) and Tony nominees Stephanie J. Block (*The Mystery of Edwin Drood, Wicked*) and Andrew Rannells (*The Book of Mormon*). This "part intimate family drama, part neurotic urban comedy" focuses on the life of a charismatic man and the many intertwining diverse relationships in his life, including his wife, his boyfriend, his adolescent son, his psychiatrist and his neighbors, as he faces life's enormous challenges.

FALSETTOS is a combination of two one-act musicals, *March of the Falsettos* and *Falsettoland*. Its original incarnation garnered seven 1992 Tony Award® nominations, winning two, Best Book of a Musical and Best Original Score. *The New York Times* called the production ***"exhilarating and heartbreaking, a heaven-sent gift."***

With a book and direction by multiple Tony Award® winners James Lapine and William Finn (both Tony winners for this show), music and lyrics by Finn and choreography by Spencer Liff (*Spring Awakening, Hedwig and the Angry Inch*), **FALSETTOS** is a very funny and touching look at the many possibilities that make up a loving American family.
