# BEETLEJUICE

The Musical. The Musical. The Musical.

It's showtime, folks! **BEETLEJUICE** is ruder, raunchier and, frankly, more repellent than ever in this original musical based on Tim Burton's wonderfully demented film. Directed by Tony Award® nominee Alex Timbers (*Peter and the Starcatcher*), this is the story of Lydia Deetz, a strange and unusual teenager obsessed with the whole “being dead thing.” Luckily for Lydia, her new house is haunted by a recently deceased couple and a degenerate demon who happens to have a thing for stripes. When Lydia calls on this ghost-with-the-most to scare away her insufferable parents, Beetlejuice comes up with the perfect plan, which involves exorcism, arranged marriages and an adorable girl scout who gets scared out of her wits. Tony nominee Alex Brightman (*School of Rock*) stars as Beetlejuice.
