

THE COOLEST NEW MUSICAL ABOUT BEING A LOSER

Would you take a pill just to become popular? This is the story of an average teenager who attempts to become well-liked and discovers that the “perfect life” is now possible thanks to some mysterious new technology—but it comes at a cost that’s hard to swallow. Could anything go wrong? Combining the contemporary with retro sci-fi, this electrifying, comically subversive, poignant musical takes on the competing voices in all of our heads, ultimately proving there’s never been a better time in history to be yourself—especially if you’re a loser... or a geek...or whatever.

BE MORE CHILL comes to the Great White Way from a sold-out engagement off-Broadway, having already achieved cult status and having already been declared “one of the most popular new musicals in America (*The New York Times*). Discover this hilariously honest show for yourself, featuring an electric, ear-worm filled score by Joe Iconis, “one of Broadway’s next great songwriters” (*Billboard*).
