

New York has welcomed **CIRQUE DU SOLEIL** with a new production created exclusively for Broadway and designed especially for the Lyric Theatre.

PARAMOUR is the innovative creation merging the best of Broadway with Cirque du Soleil's spectacular vision.

The show, according to press notes, has “many of the elements beloved on Broadway: a book-driven love story narrative, live musicians, and professional actors in lead roles; but with the Cirque du Soleil aesthetic integrated throughout the show: visionary production design on a grand scale, world class entertainment, and acrobatic feats that defy the imagination.”

“Set in the glamorous world of Golden Age Hollywood, this groundbreaking event spins the tale of a beautiful young poet forced to choose between love and art. Featuring a cast that blends the best in circus arts and musical theatre, PARAMOUR will transport you to a world of sublime beauty and emotion as it walks the exhilarating tightrope of the heart.”
