

BOB FOSSE'S

Bob Fosse's DANCIN' is Fosse's full-throated, full-bodied celebration of the art form he loved and perfected...and then changed forever.

Tony Award® winner and *Dancin'* original Broadway cast member Wayne Cilento directs and provides musical staging, which re-creates Fosse's original Tony-winning choreography.

Utterly reimagined for the 21st century, the production is filled with a level of warmth, emotion, and color rarely seen in modern interpretations of Fosse's influential style, and features some of his most inventive and seldom performed choreography. With New York's hottest cast performing 120-minutes of wall-to-wall dance, and featuring an eclectic score spanning an array of musical genres, **DANCIN'** delivers the quintessential Broadway experience for Fosse fans and first-timers alike.

You think you've seen dancing, but you've never seen DANCIN' like this!

"A spectacular production! A tribute to the artistry of dance at its most versatile, sexy, and athletic."
