## “A TRIBUTE TO THE OUTSIDER IN US ALL”

A letter that was never meant to be seen, a lie that was never meant to be told, a life he never dreamed he could have. Evan Hansen is about to get the one thing he’s always wanted: a chance to finally fit in. Both deeply personal and profoundly contemporary, this bold new American musical is about life and the way we live it.

**DEAR EVAN HANSEN** follows a shy boy’s search for his identity as he tries to fit in in a high school that doesn’t accept him. He writes a letter that involves him in a tragedy that, according to press notes, “led to the incident—that started the lie—that ignited a movement—that inspired a community—and changed Evan’s status from the ultimate outsider into the somebody everyone wants to know. But how long can Evan keep his secret? And at what price?”

Tony Award® winner Ben Platt stars. Four-time Tony Award® nominee Michael Greif directs, joined by the Tony-winning composing team of Benj Pasek and Justin Paul, Tony-winning playwright Steven Levenson and choreographer Danny Mefford (*Fun Home*).

“This heart-scorching musical about the struggle to connect” (*Time Magazine*) has struck an astonishing chord with both audiences and critics alike.
