

## WELCOME TO PARADISE!

Margaritaville—where the sun is hot, the water is warm and the drinks are plentiful—is a place where the city folk get away from it all and the locals get into the kind of trouble they can almost always sweet talk their way out of.

**ESCAPE TO MARGARITAVILLE** is the story of a tropical island resort and its charismatic bartender-singer who falls for a beautiful, career-minded tourist. This lively romantic musical premiered at La Jolla Playhouse in California and will have additional stops in New Orleans, Houston and Chicago before heading to the Great White Way.

Featuring the music of Jimmy Buffett, who has recorded more than 50 albums, often portraying an “island escapism” lifestyle, the production incorporates original songs with some of his familiar classic hits, such as “Come Monday,” “Cheeseburger in Paradise” and “Volcano.”

Directed by Tony Award® winner and La Jolla Playhouse Artistic Director Christopher Ashley (*Come From Away*, *Memphis*) and choreographed by Tony nominee Kelly Devine (*Come From Away*, *Rock of Ages*), the musical is written by Emmy® Award winner Greg Garcia (“My Name is Earl,” “Yes, Dear”) and Emmy® nominee Mike O’Malley (“Survivor’s Remorse,” “Shameless”).

Leave your problems behind and come along on an energizing journey to Margaritaville. Make some new friends at the bar, enjoy yourself and kick back to the soothing sounds of the kettledrum. It doesn’t get much better than this!

Plan your escape to the new musical about the choices we make—and the people we become—once we’ve had a change in “latitude.”

**“It is our hope that this show will make you feel like you have been invited to a party.”**
