

The battles are over, the civil war has ended, the country has been stolen by madmen and casualties are everywhere. And guess who's left with the task of cleaning up the bodies? The very lowly servants—Nathan Lane and Andrea Martin! It's 400 B.C.—but it feels like the end of the world.

Three-time Tony Award® winner Nathan Lane (*Angels in America; The Producers; A Funny Thing Happened on the Way to the Forum*) and two-time Tony Award® winner Andrea Martin (*Pippin; My Favorite Year*) star in an extraordinary new comedy by Pulitzer Prize finalist Taylor Mac. Directed by Tony winner George C. Wolfe (*Angels in America; Bring in 'da Noise/Bring in 'da Funk*), **GARY** takes place during the fall of the Roman Empire, just after the bloody conclusion of Shakespeare's first tragedy, *Titus Andronicus*.
