A HILARIOUS NEW MUSICAL ABOUT AN UNINTENTIONALLY HILARIOUS NEW MUSICAL!

Josh Gad and **Andrew Rannells**, the original stars of *The Book of Mormon*, reunite as two friends creating a musical about Johannes Gutenberg, inventor of the printing press. In this two-man musical spoof, they play aspiring playwrights who perform a backers' audition for their new project - a big, splashy musical about Gutenberg. With an endless amount of enthusiasm, they sing all the songs and play all the parts in their tactless historical epic, hoping one of the producers in attendance will give them a Broadway contract – fulfilling their misguided dreams.

Directed by Tony Award® winner Alex Timbers (*Moulin Rouge! The Musical*; *Beetlejuice*) and written by Scott Brown and Anthony King (*Beetlejuice*), **GUTENBERG! THE MUSICAL!** received rave reviews as well as Drama Desk, Lortel and Outer Critics Circle nominations when it ran off-Broadway.

“A SMASHING SUCCESS!

Scott Brown and Anthony King are superb comic writers.”
