From the brilliant minds of Oscar, Grammy and Tony Award® winner David Byrne (*American Utopia on Broadway*) and Grammy Award® winner Fatboy Slim comes the innovative disco pop musical about former Filipina First Lady Imelda Marcos' astounding rise to power and subsequent fall at the hands of the Philippine People Power Revolution.

After sold-out, critically acclaimed runs at The Public Theater, National Theatre and Seattle Rep, **HERE LIES LOVE** arrives on Broadway developed and directed by Tony Award® winner Alex Timbers (*Moulin Rouge!*) and choreographed by Olivier Award nominee Annie-B Parson. This revolutionary production has been called "ingenious" by *The New York Times*, and "an ecstatic and dynamic party" by *Time Out New York*.

Ticket buyers can experience this groundbreaking production in two ways: immersed within the show standing on the dance floor, or from an array of traditional and innovative theatre seating options.

"an extraordinary piece of theatre, which is as innovative and thought-provoking as it is beautiful and joyous."
