

**“A deeply satisfying musical in a way few shows are any more. Irresistible. It’s everything you want it to be!”**

**–*The New York Times***

Stage and screen star Tony Danza (TV’s *Taxi*, *Who’s the Boss?*) returns to Broadway in this musical based on the 1992 film in which Jack Singer, a regular guy with an extraordinary fear of marriage, finally gets up the nerve to ask his girlfriend, Betsy, to marry him. But when they head to Las Vegas to get hitched, smooth talking gambler Tommy Korman (Danza), looking for a second chance at love, falls head over heels for Betsy. What happens next is anybody’s bet!

Also starring Tony nominee Rob McClure (*Chaplin*) and Brynn O’Malley (*Annie*), HONEYMOON IN VEGAS has direction by Gary Griffin (*The Color Purple*), book by Andrew Bergman (screenwriter of the film) and music by Tony winner Jason Robert Brown (*The Bridges of Madison County*, *Parade*).

**“Musical comedy bliss! With first-rate performances and delightful musical numbers!”**
