ALIVE ON BROADWAY

KING KONG

From Jack Thorne, the celebrated writer of *Harry Potter and the Cursed Child*, comes an awe-inspiring theatrical take on the world's most grand-scale modern myth. This musical stage production is a contemporary take on the classic tale of beauty and the beast. Directed and choreographed by Olivier Award winner Drew McOnie, with an electrifying new score by Marius de Vries (*La La Land*) and Eddie Perfect (*Strictly Ballroom*), **KING KONG** comes alive on Broadway through an inventive combination of robotics, puppetry and stagecraft.

Follow an ambitious young actress and a maverick filmmaker on their journey from the bustling streets of 1930s New York to an uncharted island to capture the greatest wonder the world has ever seen. At the center of this 21st-century reimagining is a 2,000-pound gorilla brought to life by a team of flawlessly integrated artists and technicians. Don't miss this larger-than-life encounter with a legend that's always been too big to contain.
