

MISERY

Emmy and Golden Globe Award winner Bruce Willis and Tony and Emmy Award winner Laurie Metcalf star in this psychological thriller based on the Stephen King novel and film. The story revolves around a romance novelist who is rescued from a car crash by his “Number One Fan,” a crazed former nurse who takes him to her isolated home. There, he is held captive as she becomes furious when she learns he has killed off the heroine of his latest book.

Written by Academy Award winner William Goldman (*The Princess Bride; Butch Cassidy and the Sundance Kid*), who also wrote the screenplay for the Academy Award-winning movie, MISERY arrives on Broadway this fall for a 16-week limited engagement.
