

OSLO

AT THE BEAUMONT

After its hugely successful sold-out off-Broadway run, the political thriller **OSLO** arrives at the Vivian Beaumont Theater with its original cast, including Tony Award® winners Jennifer Ehle (*The Real Thing*, *The Coast of Utopia*) and Jefferson Mays (*A Gentleman's Guide to Love and Murder*, *I Am My Own Wife*). Written by J.T. Rogers, this “darkly comic epic” is directed by Tony winner Bartlett Sher (*The King and I*, *South Pacific*, *Fiddler on the Roof*).

OSLO tells the true story of “the back-channel talks, unlikely friendships and quiet heroics that led to the 1993 Oslo Peace Accords between the Israelis and Palestinians,” resulting in the memorable dramatic moment when Israeli Prime Minister Yitzhak Rabin and PLO Chairman Yasser Arafat shook hands at the White House. But a question arising from these Middle East peace talks was the role of Norway and how such influential negotiations were held secretly in a castle in the middle of a forest outside Oslo.

“Vivid and thoughtful, Oslo combines investigative zeal and theatrical imagination with insider access. The stuff of crackling theater.”
