## A PLAY OF HEART AND GREAT HUMOR

This new American play brings to vivid theatrical life a comic and dramatic portrait of a mother, a father and the son who photographed their lives.

Tony Award® winner Bartlett Sher (*South Pacific*) directs a cast of three of the theatre's most inventive, inspired and award-winning artists—Tony Award® winner **Nathan Lane** (*Angels in America; The Producers*), Tony Award® winner **Danny Burstein** (*Moulin Rouge!; Fiddler on the Roof*) and Olivier Award winner and Tony nominee Zoë Wanamaker (*Electra; Awake and Sing!*).

Based on the landmark photo memoir by Larry Sultan and adapted to the stage by Sharr White (*The Other Place; The Snow Geese*), **PICTURES FROM HOME** will evoke memories of childhood, parenthood and the hard-won wisdom that comes with both.
