

THE
FERRYMAN
BY JEZ BUTTERWORTH DIRECTED BY SAM MENDES

After receiving three Olivier Awards, including Best Play and Best Director, this “fiercely gripping play” (*The New York Times*) written by Jez Butterworth (*The River, Jerusalem*) and directed by Academy®, Olivier and Tony Award® winner Sam Mendes comes to Broadway.

Set in rural Northern Ireland in 1981, the Carney farmhouse is preparing for the annual harvest. A day of hard work on the land and a customary night of feasting and festivities lie ahead. But this year will turn out to be different-- they will be interrupted by a visitor.
