A Memory Play

Lincoln Center Theater's spectacular new production of Tennessee Williams' masterpiece stars two-time Academy Award winner and three-time Emmy Award winner **Sally Field** (*Places in the Heart, Norma Rae, Brothers & Sisters, ER, Sybil*) as Amanda Wingfield and two-time Tony Award® winner **Joe Montello** (*Take Me Out, Assassins*) as Tom Wingfield.

Based on Williams' own life, **THE GLASS MENAGERIE** is a riveting account of a mother who has been deserted by her husband and who longs for the comforts of her youth. She is devoted to her two children--a crippled, shy daughter, who doesn't attract any "gentleman callers," and a frustrated son, who also serves as the narrator of the play, which is drawn from his memories.

Tony Award® winner Sam Gold (*Fun Home*) directs Williams' classic work—a play that fascinates audiences today as much as it did when it premiered in New York over 70 years ago.
