“Young lovers light up Moscow in an epic tale of romance and passion”

“Based on a scandalous 70-page slice of War and Peace, this new musical is Tolstoy like you’ve never experienced him before. Step into a glamorous, romantic world of chandeliers, vodka and caviar in the salons and opera houses of 19th century Moscow, where passions ignite as Napoleon’s war rages outside the city. With the cast and musicians swirling among audience members, this new musical brings to life the heart of literature’s most epic tale of love and fate,” according to press notes.

“Remarkable and impossible to resist” (*The New Yorker*), **THE GREAT COMET** has “rousing music and ravishing performances” (*Daily News*) with an innovative score that combines rock, pop, soul, folk and electronic dance music with classic Broadway. Its distinguished creative team has reimagined the theatre as a lavish Russian salon, where every seat provides a distinctive perspective and a memorable theatrical experience like no other.
