

"There is arguably not a single musical
that is more appropriate or able to lift New Yorkers' spirits..."
- *Harper's Bazaar*

One of the most beloved musicals of the last 35 years returns to Broadway in this all-new production. Annie, the plucky and cheerful curly-haired orphan girl, charms hearts in this rags-to-riches classic. Inspired by Harold Gray's comic strip, "Little Orphan Annie," the show features music by Charles Strouse, lyrics by Martin Charnin, and book by Thomas Meehan. Two time Tony® Award winner Katie Finneran stars as the sinfully wonderfully wicked Miss Hannigan.
