Truman Capote's beloved story comes to the stage in this world-premiere play starring EMILIA CLARKE (HBO's "Game of Thrones"), CORY MICHAEL SMITH ("The Cockfight Play") and GEORGE WENDT ("Cheers"), with a script adapted by Tony Award® winner RICHARD GREENBERG (Take Me Out, Three Days of Rain).

Tony Award nominee SEAN MATHIAS (The Elephant Man, Indiscretions) helms this exciting new take on the classic American story.
