

**"IT STRIKES A FRESH NOTE  
FOR AMERICAN MUSICAL THEATRE."**

*--The New York Times*

With a book by DOUG WRIGHT (Pulitzer Prize winner, *I Am My Own Wife*), lyrics by AMANDA GREEN (*Bring it On: The Musical*) and music by TREY ANASTASIO (*Phish*) and AMANDA GREEN, this new musical puts a fresh new musical spin on the acclaimed 1997 documentary of the same name by S.R. Bindler.

Inspired by true events, **HANDS ON A HARD BODY** tells the hilarious story of 10 down-on-their-luck Texans and the contest that could change their lives.
