Jekyll & Hyde

THE MUSICAL

After a successful run on Broadway and a number of world-wide tours, this chilling lovestory from Tony[®] and Grammy Award[®] nominee Frank Wildhorn and Oscar[®] and Grammy Award[®] winner Leslie Bricusse returns to Broadway from a limited run.

Dr. Henry Jekyll, the brilliant scientist, mistakenly creates a villainous alter-ego when trying to develop a chemical formula to cure people of evil. Constantine Maroulis, Tony Award[®] nominee and star of American Idol, joins Grammy[®] nominee Deborah Cox in this revival of JEKYLL & HYDE.
