ETHEL BARRYMORE THEATRE

243 West 47th Street

New York, NY 10036

Tony, Olivier, and Emmy Award winner Alan Cumming (Cabaret, "The Good Wife") returns to Broadway in this acclaimed production from the National Theatre of Scotland and the Lincoln Center Festival.

This mesmerizing production of Shakespeare's darkest tragedy, *MACBETH*, features a modern visual take on the classic story. Set in a psychiatric ward, Cumming tackles all of Shakespeare's famous characters as the lone-patient in the ward.
