TITANIC

In the final hour of April 14, 1912 the RMS Titanic, on her maiden voyage from Southampton to New York, collided with an iceberg and "the unsinkable ship" slowly sank. It was one of the most tragic disasters of the 20th Century. Based on actual characters aboard the greatest ship in the world, Maury Yeston (*Nine, Grand Hotel*) and Peter Stone's (*1776, Woman of the Year*) stunning musical focuses on their hopes and aspirations. Unaware of the fate that awaits them, the Third Class immigrants dream of a better life in America, the newly-enfranchised Second Class dream of achieving the lifestyles of the rich and famous, and the millionaires of the First Class dream of their gilded world lasting forever.
