

THE OTHER PLACE

"Exquisite and piercing. Laurie Metcalf is passing between dimensions right before our eyes, and daring us to keep up. Her performance is a great ringing cry from the darkness, suitable for an amphitheater."

--New York Magazine

Three-time Emmy® Award winner and Tony Award® nominee Laurie Metcalf ("Roseanne," "The Big Bang Theory," *November*) stars in this Broadway-premiere production of *THE OTHER PLACE*, a enthralling thriller by Sharr White. Directed by two-time Tony Award® winner Joe Mantello (*Other Desert Cities*, *Wicked*, *Love! Valour! Compassion!*), *THE OTHER PLACE* blurs the lines between fact & fiction and past & present as Juliana Smithton, a prominent neurologist copes with the reality of her world crashing down around her.
