OFF TO NEW YORK!

Following its record-breaking 45th anniversary season, the **BIG APPLE CIRCUS** is excited to announce a once-in-a-lifetime collaboration with Europe's beloved **CIRCUS-THEATER RONCALLI** for its upcoming 2023 season. This all-new show, "**Journey to the Rainbow**," will blend the best of New York City's hometown circus with the romance and magic of today's European circus tradition. It will mark the U.S. premiere of Circus-Theater Roncalli, which, according to *The New York Times*, is "the most beautiful circus in the world." The company has amazed **more than 45 million spectators** since its inception in the mid-1970s with its contemporary but nostalgic take on the one-ring circus experience.
