Academy Award® winner and box office star **Robert Downey Jr.** (*Oppenheimer*; “Iron Man/Tony Stark” in the Marvel Cinematic Universe) makes his Broadway debut as the fictional Jacob McNeal, one of our most outstanding writers and an enduring candidate for the Nobel Prize in Literature. But McNeal also has an estranged son, a new novel, old axes to grind and an unhealthy fascination with Artificial Intelligence, all of which may impact his distinguished career.

Pulitzer Prize-winner Ayad Akhtar’s new play is an alarming and sharply shrewd examination of the inescapable humanity – and increasing inhumanity – of the stories we tell. Tony Award® winner Bartlett Sher (*South Pacific*; *To Kill a Mockingbird*; *My Fair Lady*) directs.
