Nicole Scherzinger gives a career-defining performance”**

--The New York Times

Winner of 7 Olivier Awards, including Best Musical Revival, Andrew Lloyd Webber's legendary **SUNSET BLVD.**, reimagined by visionary director Jamie Lloyd and featuring book and lyrics by Don Black and Christopher Hampton, based on the Billy Wilder movie, was hailed as London's 2023 “best show of the year” (*Time Out*).

Multi-award-winning singer, songwriter, actress and dancer **NICOLE SCHERZINGER** reprises her Olivier Award-winning performance as faded silent-screen star Norma Desmond who, haunted by her memories and dreams, longs to return to the big screen. Her only hope may be a struggling screenwriter who can't sell his scripts to the Hollywood studios, until their dangerous and mesmerizing relationship leads to disaster.

Joining Scherzinger will be her London co-stars: Olivier Award winner Tom Francis as ‘Joe Gillis,’ Oliver nominee Grace Hodgett-Young as ‘Betty Schaefer,’ and Olivier winner David Thaxton as ‘Max Von Mayerling.’

Drenched in champagne and cynicism, **SUNSET BLVD.** dissects the ambitions and frustrations of its characters and their intoxicating need for idolization and fame.

“This killer production is theater at its devilish best. It slays you.”
